Revival Fires Equipping Seminars are hands-on practical workshops to give strength by the Holy Spirit to go deeper in all aspects of our walk with God. Activation is a part of every session, so that everyone is given opportunity to individually exercise their spiritual muscles.

Sandy has had an important role in the development of Revival Fires' School of Ministry and continues to minister at the school. With her inspirational and charismatic approach, Sandy has provided a memorable learning experience for all she has so diligently taught, within prayer ministry and prophetic teams, then through to deeper levels of revelation in the supernatural realm. She demonstrates a passion for God coupled with a desire to equip and encourage.

Trevor and Sharon Baker
Revival Fires

Sandy came to the United Kingdom to be part of Revival Fires in January 2003. She had been an active staff member for seven years at the Toronto Airport Christian Fellowship. While there, she was tremendously impacted by a powerful move of the Holy Spirit. She also spent several years being trained with Youth With A Mission, a Christian mission organization founded by Loren Cunningham. Sandy then went on to help co-lead discipleship training schools, counseling schools and mission teams in both America, Europe and in Asia. Sandy has her roots in the rural farmlands of Guelph, Ontario, Canada.

A personal message from Sandy

I believe that God has brought me here to the UK from Canada to fan the flames of revival and to burn for Jesus. I want to see the UK on FIRE, a light shining in the darkness with the Gospel of Jesus Christ! It is my heart to see everyone equipped and strengthened by the Holy Spirit to go deeper in all aspects of our walk with God and to examine this in a very practical way. My aim is to inspire people in their personal relationships with Jesus, so that they break through and come into their destiny. I want people to cut their teeth by getting a ravenous appetite for the meat of His word and be ready for adventure, to burn for Him, radiating His love and life!

Each seminar consists of approximately five hours of equipping and activation. I am pleased to tailor-make any seminar, highlighting areas of particular interest. Teaching can be lengthened or shortened. Seminars can be done over a full day or on several evenings. I recommend, however, that the training be extended over a few days. This gives time to reflect and gain experience through hands-on participation and practice.

*I look forward to sharing with you.
In His Excellent Service*

Sandy is a regular visitor to us at Brockton Christian Fellowship. She speaks with clarity, openness and vulnerability with a very clear understanding and experience of her subjects. She brings revival into people's hearts and carries an anointing for freedom, while making her teachings understandable and achievable to all. She helps leadership equip the church for action and gets people out of their chairs doing the stuff of the Kingdom. She has a very strong prophetic ministry and leading with years of experience. She also has a strong gift of discernment and gives wise advice on training and leadership. We are looking forward to welcoming Sandy back.

Willie and Mandy Bryan

Pastors of Brockton Christian Fellowship

Sandy has presented two full day seminars for our church, which have been attended by people from a range of fellowships in our area. Sandy's teaching is clear, dynamic and very much hands-on. We would highly recommend Sandy's ability to lead people into a deeper relationship with Father God. Our fellowship has benefited from Sandy's teaching through an increased ability to hear from God, both individually and collectively and by her encouragement to discover God's destiny for our lives.

Kathryn and David Webster
The Meeting Place, Burnley, Lancashire

It was great, as a church, to go through the Hearing God's Voice seminar together. Sandy delivered the weekend sensitively and the teaching was appropriate to our own needs as a church. Everyone really appreciated the opportunity to go deeper and we were excited to discover how easy it is to hear God speaking to us. We are more confident now about sharing what we are hearing. One person in particular had struggled so much in the past to hear God's voice for himself. Over the weekend, he heard God and has continued to hear God speak to him regularly. It has totally changed his relationship and has restored a passion that he felt he had lost forever.

Elaine and Jim Haley
Hemsworth Christian Fellowship, Hemsworth

I highly recommend Sandy as an excellent communicator, teacher and encourager. She is extremely sensitive to the Holy Spirit and the hearts of others. Sandy is a lively equipper in the Body of Christ, anointed to bring both understanding and practical application, as she teaches on the word and spiritual realities. She would be a breath of fresh air to any church, fellowship or group that receives her ministry.
