***18/19 February fly home***

Join with us to pray each day that they are ministering. We appreciate all of your prayers and you will find some prayer pointers to direct your prayer over the coming month:

Safe and favourable journey to and from destinations, that God would send His angels to surround and protect them.

Provision of hospitality to be shown throughout the trip for Trevor and Sharon as they prepare to minister in the churches and conferences.

For clear communication and understanding between conference hosts and Trevor and Sharon, due to language and cultural differences.

Pray for divine health and continued physical strength and energy during the trip which involves much travel.

Pray for the meetings, that God's presence would be felt tangibly amongst them. That God's spirit would move powerfully in signs, wonders and healings, bringing glory to Jesus.

Pray that many would be drawn to the meetings, and that all those who make the journey would experience a fresh touch from the Holy Spirit. That all those who come would have open hearts to receive teaching and impartation, for anything that would hold them back from their destiny in God would be removed.

Stand with us as we declare that no scheme of the enemy would hinder or steal any good thing from this ministry trip, and that there would be lasting fruit.

Pray that God would release His ministering angels of spiritual wisdom and revelation, and for the demonstration of God's power through prophetic words and healing.

Pray that they would build long lasting relationships with other church leaders that would bring great blessing to each other.

**REVIVAL FIRES FIREWALL**

Pray that God would fill Trevor and Sharon each day with His empowering Spirit; that they would know the favour of God in all that they do, and would be a blessing to all who they meet.

For the blessing of good rest and physical rejuvenation between meetings.

For the gifts of the spirit to be demonstrated and for the fruits of the Spirit to flourish in this time of ministry- and that the Lord would fill their hearts with His joy and peace each day.

Many Blessings
