

2021 February & March Report

Stall at a local event:

This year has truly been a year of turnaround for us as we have witnessed God's mighty hands of protection over our lives despite the pandemic situation around the world. We have made an honest effort to do our bit to reach out to communities in need and believing in miracles in the most unusual places. Beginning of February we displayed some of our handmade products and baked cookies and bread for a local community fair putting a small corner. The small proceeds from the same were used to buy snacks & gifts for the girls. We had a fun participating at the event.

Titi helped the girls make some homemade cupcakes for the local fair.

We took this time to share about our work and share the joy we experience afresh in Jesus inviting them to visit us if they would like for a Sunday special prayer at our center

We love how we are using every opportunity to reach out those who need a touch and encouragement through our acts, words and actions centric to Christ- to taste the salvation only possible in Jesus.

Encourage & Bake Along session by Anna

It was such a blessing to have Anna to encourage the survivors and share about love of Jesus. For some of the survivors it was a first time attending a virtual session so it was both exciting and something new to witness.

It was truly a crowning moment in each of the girls life and it was so special to have Anna at the end ask if she could pray for some of them or anyone would like to know more about Jesus. It was truly a moment of opportunity for each one of them.

At the end of the session within few days we had two of our girls who had never showed interest in prayer was seen coming for alter prayer for our following Sunday service. Despite the limitations of freely sharing the gospel in a country like India especially with the current Government in Power we face challenges and restrictions organisationally but we believe that Our God can continue to give us creative opportunities to share about salvation that lies only in Jesus.

TRANSITION CENTER Inauguration in March

We are so thrilled that with the timely advice & guidance of Trevor & Sharon and the Supernatural Favour of our God we could finally take this step to provide for a safe place for many exploited young girls in the newly started Transition Center which will be providing holistic survivor centric healing in a safe environment among other survivors under supportive care. The core value of this lies in the fact that we believe God alone is our Safe place and holistic restoration we are looking to provide to these exploited ,marginalised and neglected young girls and women rests only in experiencing the love ,hope and salvation of Jesus.

We rallied together in strong prayer before we took this step of starting the Transition center. We witnessed heavens opening up in rejoice as we stepped into the new center and glorified the name of Jesus.

The girls presented special worship choreography on the inauguration day and it was truly a special sight to see and some of the girls have never witnessed what it means to worship the true king of kings our saviour Jesus.

We want to extend a special thank you to Trevor and Sharon for believing in this dream in trusting the whole idea of having a transition center which is more like a home than a hostel for these girls who have never experienced this life of meaning ,purpose ,care and protection being in a exploitative situations for years in their lives.

We arranged for some floral décor and food packets for the girls and some local guests present for the inauguration event.

Our hope is to help these survivors navigate this new life learning to focus on their God given purpose, building healthy life skills where recognising strengths & areas of empowerment with access to formal and informal trainings, therapy options which best suit their in an supportive environment. Individual healing processes experiencing a healing that lies in knowing Jesus while in a supportive environment.

Restoration Journey

In February we enrolled four of our girls for Hospitality Training. We prayed a special prayer over their lives asking the Holy Spirit to be their guide and counsel through their life's entire journey.

We take inspiration from them daily for their daily resilience & hard work towards achieving their dreams.

Thank you to each one of our sponsors and donars who continue to give to Light House Disha Project so that we can bring these exploited young women from darkness to glorious light of Jesus.

As part of their training three of our beautiful resilient girls have been chosen to have an on sight practical training in Summit Hotels & Resorts in Darjeeling. We made all arrangements to travel from Siliguri to Darjeeling and provided for all necessary items for their daily use and uniform for the same.

Our team has been in touch regularly to check on their well-being.

We prayed a prayer of protection a night before the three girls left for their on sight practical training in Darjeeling

Two of the survivors of human trafficking who have been enrolled in 3 months beautician course, these survivors have been recently placed at our transition centre.

We are grateful for all our partners and supporters who have stood by us so that we can continue reminding these survivors that they are loved & treasured by Jesus deserving of every chance and opportunity in the world to pursue and achieve your own Dreams.

These young women we mentor and minister continue to learn life skills that will help them be economically independent while learning how to apply these values in their everyday life. Our hope for these young girls and women is to find a life of stability and supernatural healing.

NEW FACEMASK MAKING
CLASS IN PROGRESS.

'I have not only found a safe place to heal but also regained my lost dignity and courage to give my best in life witnessing what it means to have a taste of what hope looks like in truest sense.' – a voice of one of our survivors of human trafficking.

Monthly Ration for the survivors

We brought the monthly ration for the girls who have been recently placed with us.

New Rescued in Distress condition near Siliguri

Karishma alias Pushpa Kumari Roy was rescued in the month of March in Distress condition neary Salbari Tea Estate and Pradhanagar Police officials handed over the girl for further safety and rehabilitation at our care. We appreciate all your prayers for us as a team as we are catering to her needs and sharing the love of Jesus with her.

It has been an absolute Joy to see a life brought to safety and eternal hope, We provided a welcome care kit to her the next day.

Monika who is one of our older Papa House girls came to visit us for a holiday having a great time of outing and giggles with Karishma.

It has been two weeks of Karishma being with us and we are so proud of the comfort and joy the God has granted her through our love, care and service towards her healing and restoration. We have continued to rally together covering her in strong prayer because we know for sure the wonderful plans God has in store for this beautiful daughter of his.

Exposure visit to Salesian College

As we are catering to the needs of every young rescued girl who is placed or referred to us we take the time to do a need assessment to understand the aptitude and interest of the girls. For Karishma she shared during the counselling session that she is interested to pursue her college degree via distance education and do a life skill training simultaneously. Therefore our legal Intern visited a local College with her to give an idea about the various course available for her. In the following weeks we will continue to explore various other training and education options for her.

Beside the training and mentoring we are continuing to share about what it means to have Jesus as our personal saviour, She shared with us that she have had heard about Jesus and had once attended a church but wishes to know more so we are ministering to her and praying for a deeper healing and restoration for her life.

Karishma has had a very difficult childhood with physical and sexual abuse meted out to her from her own family members and someone in the past while she was pursuing her school education. She is in need of regular counselling sessions and we are prayerfully catering to her specific needs as she opens to us in days to come.

New Materials for the Tailoring Unit

We purchased new materials for the fashion garment making class for the girls. We are excited to see the finished products the girls make out of these beautiful fabrics.

*New face masks
made by our girls
and women at the
tailoring unit.*

We purchased new practicing kit for our two survivors who have been enrolled for beautician training course.

Life at the Transition center

We are delighted to share that some of the girls who we have been working with have experienced a personal encounter with the holy spirit and have began their evening prayer time where they share testimonies and use this time to share and get encouraged from the word of God. It is remarkable to see their daily transformation of restoration centric to Christ.

Some of the girls from this batch have had a very first experience knowing about Jesus and are slowly receptive to being more open to experiencing a brand new encounter with the Lord. We clearly see a big daily transformation in them praising God for these daily mercies and moments of miracles.

Bunu enjoying a time of momo dinner party with the girls to see this time to build deeper bond with the girls. These moments brings the girls together, some of the girls have had a difficult childhood who have never experience love and affection in a way that they

have a chance to experience it with us.

It is only because we are loved so deeply by our saviour kind Jesus that we are able to pour out our lives to these precious souls that we have the opportunity to mentor and minister.

Some of the first groceries and other essential items purchased for the transition centre.

Thank you Revival Fires for your relentless support since 2015 that we are able to continue this work to provide for survivors of human trafficking and at risk young women & girls of this region of India.

Gifts for the Transition Center from Vikrant

Vikrant has been able to share some of the blessings and favour he has received from the Lord this year working that he extended that blessing to us by gifting a small smart Television and Two Fans for the Transition Center. We are grateful for the strong flow of prayer in our lives by both Sharon, Trevor and entire Revival fires team that we feel God lay his hands of special favour and provision in our lives especially in Vikrant's life in terms of his business and part time job that he has been doing to support Bunu and stand as a strong pillar of support for the work God has called both of them to do as a man & wife.

Water Purifier Installation as gifted by Bunu's Friend for the Transition Centre.

We are so glad that God is bringing people from amongst our friends and family to step in forward to bless our work with their token of love for the new center.

Girls enjoying helping in the kitchen at the New Transition Center.

The first batch of girls along with Sadhana having a first look at the new Installed TV at their new home.

One Day Makeup & Hair Session along with Motivational Session on '**Beauty That Shines From Within**' organized on 3rd Of March 2021 by one of Bunu's friend who is a Celebrity Makeup artist in Mumbai for taking a beautiful session for survivors of human trafficking, at risk girls and LGBT community members.

Bunu spoke from the word of God encouraging them look at their God given beauty within how God calls each one of the far more precious than any Jewels irrespective of their color, caste, race and ethnicity or past.

It was particularly special to have this opportunity to reach out to some of the LGBTQ community members who we had provided ration for during the lockdown in 2020.

It was such a blessing to use creative opportunities to reach out to this unreached group, we are passionate to seek Jesus for the LGBTQ community members of our city as well and we have continued to pray for those who do not have hope or have another chance to taste the salvation that lies in Jesus for them

We also provided lunch food packets for all the participants for the Beauty & Blessing session.

Invitation & Participation at the Boutiques of India Exhibition

We appreciate boutiques of India exhibitions & Ladies Circle Siliguri an Ngo working for education of young girls and women inviting us to share about our work and gifted us with a one sewing machine and one embroidery machine and tailoring materials (5 scissors) in support of the work we do here in Siliguri, India. It was an enriching experience with exposure to wide range of creative ideas for our team.

“ Everything around was so pretty and colorful , some stores had some great home decor items that were like the ones we are learning to make in our Training centre as well . It was truly a fun time to explore the exhibition “- voice of one of our at risk girls attending the exhibition.

This Passover it was
great reminder yet
again that He indeed
took my place where
death could have no
sting Thanking Jesus
for his transformative
redemptive power.

PERSONAL TESTIMONY

This year has been a year of deepening my roots in Christ in drawing closer and seeking his voice clearly. Every opportunity I get to share about my work I cannot but begin by Thanking Jesus my ultimate saviour king for everything he continues to do for me for washing me white from my sins saving my life.

I want to extend my gratitude to each one of you who have stood with me -praying a powerful prayer for my complete healing so that I can continue what God intends to do in this part of India through my life. It is only possible because of the greater glory & power of our saviour Jesus that I am able to live a life thriving physically & spiritually. Through all storms of life only my saviour has held my hand restored my body and brought me this far in this journey. Thank You to each one of you who continue to sow in my life and my work here in India. Without your invaluable support we couldn't have had the impact we continue to make in this part of our nation India.

It was also a great blessing to be a guest speaker On the Eve of International Women's Day on All India Radio Siliguri to talk about the role we as society play in helping to create an inclusive world ,to reflect and choose to challenge and call out gender bias and inequality with specific focus on human trafficking. It was special to also proclaim about the love of Jesus and share details of our Sunday service for anyone who want a special prayer from our team.
