

PAPA HOUSE MARCH, APRIL & MAY REPORT

Papa House Children presented a worship dance choreography to celebrate resurrection Sunday.

Two of our grown up children Monika and Rahul visited us for holidays and took part in praise & worship.

We thank each one of our sponsors and donars of Revival Fires who have stood with us for so many years in bringing Christ centric restoration in the lives of these Children.

Both Monika & Rahul have been doing well and continuing their higher education in Binnaguri. We have been regularly following up with them and continue to mentor them to draw closer to Jesus to see His plans for their lives.

Besides providing for all basic needs for the children we have been continuing to teach them stories from the bible which become a great life lesson for them to be good stewards of Jesus when they grown up. We have never compromised on sharing the message of the cross telling them how much God loves them

Thank You Revival Fires Sponsors and Donors for your generous support to help us provide **Education** to these children from indigenous communities of Siliguri India for so many years now. Our hope is to not only help shape the lives of these children to become self-sufficient in life but live of life of **Testimony for Jesus**.

Many of these children that we have been serving and ministering come from broken homes with no family from remote villages in this part of India where they have never experienced the love and care centric to Jesus.

Some of these Children are one of the first in their families to learn how to **Pray** a **Prayer**, to understand what it means to have our prayers answered when we grow in **Faith**.

Positive Self
Affirmation Activities*

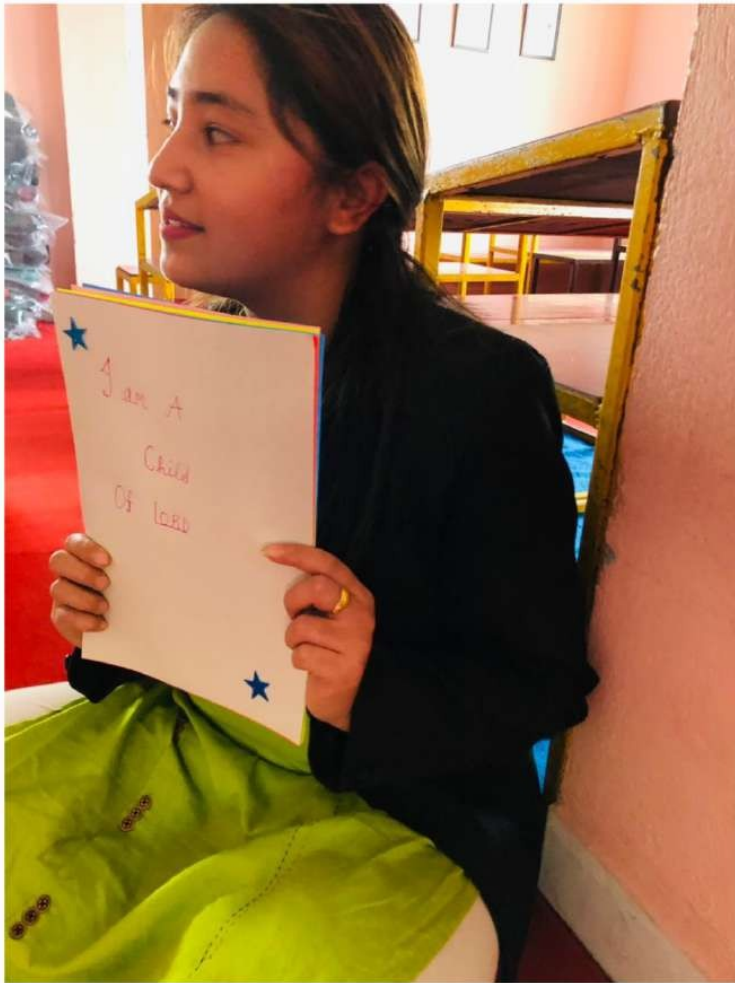

WE HAVE RALLIED IN PRAYER FOR OUR NATION AND NATIONS AROUND THE WORLD DURING.

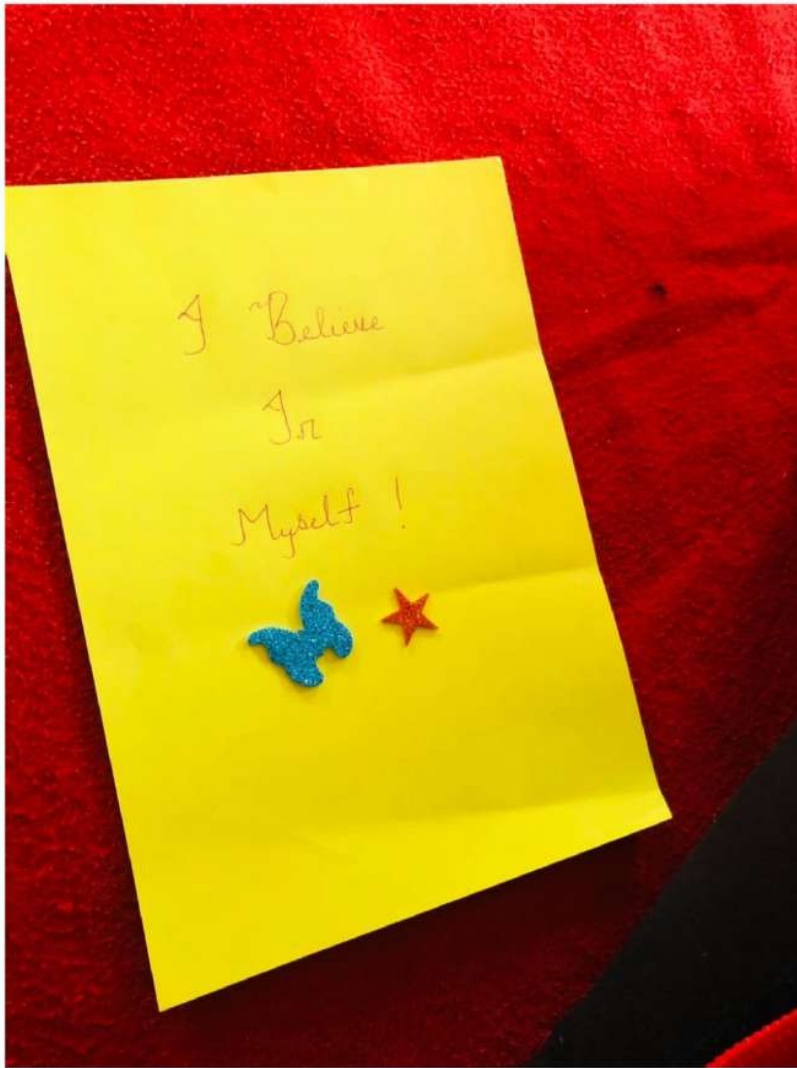

WE TEACH CHILDREN WHAT IT MEANS TO HAVE FIRM FAITH IN THE POWER OF PRAYER.

During the Lockdown we have continued to engage the children in group an activity that helps them learn while also enjoying the activities having some fun.

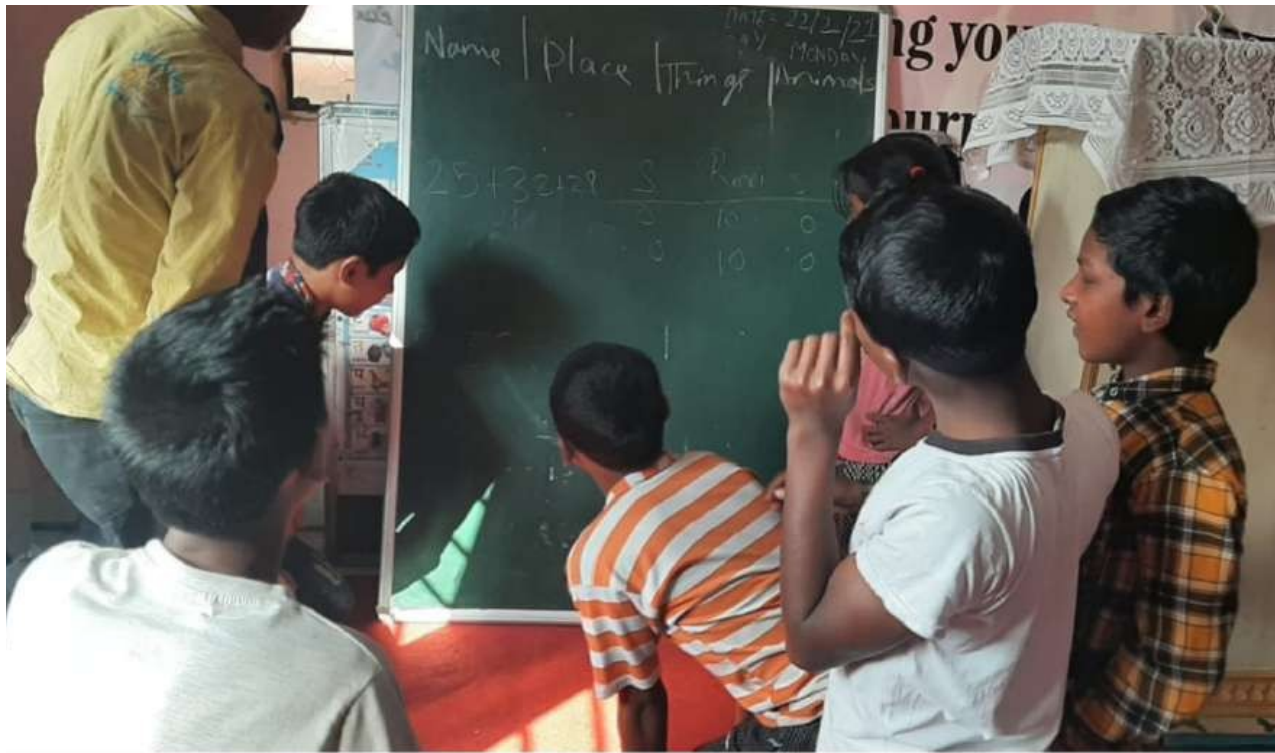

It has been a challenge to keep ourselves as a team and the children motivated with the entire health crisis in the country. What has helped us put on an amour of faith over fear is by reiterating that "I am a Child of God" therefore we truly have nothing to fear.

Some of the children were deeply affected by the news of death of their immediate family or community members in their villages often losing hope therefore we continue to encourage them with sessions on what it means to have self-belief.

Besides teaching the children to be Good stewards of Jesus we continue to teach them about their basic rights which is part of their study curriculum.

Papa House Children enjoying some Name, Place, Animal, Things Game during one of the weekends.

We have been providing the following services rooted in love towards the Papa House Children:

1. Nutritional Meals
2. Shelter
3. Clothing
4. Round the clock care & protection
5. Spiritual mentoring
6. Education
7. Fun activities in group work session
8. Health care
9. Music as a therapy and worship
10. Recreational activities: Play, TV, festivities & celebrations

Thank you for being a blessing in our lives and the lives of the children we have been ministering over the years. We could come this far only because the favour and provision we had in Jesus Christ.
